NEW WESTMINSTER CITY BY-LAWS.

STREET IMPROVEMENT LOAN BY-LAW, 1890.

A By-Law to Raise by Loan the Sum of \$80,000 for the Improvement of Certain Streets.

WHEREAS it is expedient that the Council of the City of New Westminster should provide for the improvement of certain streets in the said city:

And whereas it will be necessary in order to effect the said improvements to issue debentures of the said City for a sum of money not exceeding \$80,000:

And whereas for the payment of interest and creating a sinking fund for payment of said debentures it will be necessary to raise the sum of \$5,600 annually by special rate in each year:

And whereas the amount of the whole rateable property in the said City, according to the last revised assessment roll, is the sum of \$2,540,245:

And whereas the total amount of the existing debt of the said City is \$475,000:

And whereas for the purpose of raising the said yearly sum of \$5,600 an annual special rate of 2½ mills in the dollar will be required:

Therefore the Mayor and Aldermen of the City of New Westminster in Council assembled enact as follows:—

1. It shall be lawful for the said Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures

hereinafter mentioned, a sum of money not exceeding in the whole the sum of \$80,000.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, but not for less than \$100 each, such debentures to be sealed with the seal of the Corporation, signed by the Mayor and countersigned by the Treasurer of the said City.

3. The said debentures shall bear date the 1st day of July, 1890, and shall be made payable in fifty years at furthest from the said date, and the same may be payable in any place or places authorized by law, as may be agreed upon between the purchaser or purchasers thereof and the said Mayor, and the said debentures shall have attached to them coupons for the payment of interest.

4. The said debentures shall bear interest at the rate of five per centum per annum from the date thereof, which interest shall be payable half-yearly on the first days of January and July in each and every year.

5. For the purpose of forming a sinking fund for the payment of the said debentures, and for the payment of the interest thereon, an equal annual special rate of 2½ mills in the dollar shall be levied and collected, in addition to all other rates, in each year upon all the rateable property in the said City during the currency of the said debentures or any of them.

6. All moneys arising from the said rate beyond the amount required for the payment of interest upon the said debentures may be invested from time to time as the Trustees appointed in that behalf may direct, for the purpose of creating a sinking fund for the redemption of the said debentures as they respectively become due, without prejudice to any of the powers conferred upon the said Council by the Act of Incorporation.

7. The proceeds of the debentures issued and sold under the authority of this by-law shall be absolutely set aside for and applied to the purposes hereinafter set forth; and all work paid for out of any of the proceeds of the said debentures shall, as far as practicable, be executed by contract.

8. The sum appropriated for a contingent reserve fund under section 10 of this by-law, together with the amount remaining out of any premium realized by the sale of the debentures issued under the authority of this by-law, after the expenses incurred for printing, advertising, &c., in the issue and sale of the said debentures shall have been paid, shall be set aside as a "Contingent Reserve Fund" and there shall be added to such fund out of the general revenue of the City such sum as shall be required to bring up the total of said contingent reserve fund to the sum of \$8,000, and such fund shall be administered as hereinafter provided.

9. When any accepted tender for work to be done under this by-law shall be less in amount than the sum herein appropriated for such work, then in that case a sum representing the difference between the amount of such tender and the amount herein appropriated for the work covered by such tender shall be passed to the credit of the contingent reserve fund created by section 8 of this by-law; and no tender for any work to be done under this by-law, the amount of which shall exceed the amount herein appropriated for such work in a proportion greater than that which the said contingent reserve fund shall at the time of the consideration of such tender, bear to the unexpended and unappropriated amount of the money borrowed under the authority of this by-law, shall be accepted, but the Council shall have power to accept any tender in excess of the amount appropriated for the work to which it refers, and to vote a sufficient sum from the contingent reserve fund to cover such excess, provided that the proportion of the sum so withdrawn to the total of the said contingent reserve fund, as it was before the withdrawal of the said sum, shall not be greater than the proportion of the sum herein appropriated for the work to which the tender refers to the unexpended and unappropriated balance of the money borrowed under authority of this by-law; and in the case of any work which cannot be done by contract, the same principle shall be strictly observed.

10. The proceeds of the debentures issued and sold under authority of this by-law shall be applied to the undermentioned works, that is to say: for the opening or improvement of the streets known prior to the passing of the "Streets Naming and Numbering By-Law, 1890," as: Columbia street, \$12,000 to widen and improve the present street, and its extension to Royal Columbian Hospital, and \$8,000 to extend the

11. Any money remaining at the credit of the contingent reserve fund, after all the work herein detailed has been executed or placed under contract, may be expended on any street improvements within the City at the discretion of the Council.

12. This by-law, before the final passing thereof, shall receive the assent of the electors of the City in the manner provided by the "New Westminster Act, 1888," and amending Acts.
